Joe,

As you likely saw, we filed a Declaratory Judgment action on behalf of MG Freesites in NDCA yesterday, 3:23-cv-03674, enclosed.

Please let us know if you'd like to proceed with the call and if so, the outside counsel to whom I should forward the invite.

Best,

Frank

Good morning Joe,

Following up on the below, we would like to discuss DISH's July 7th claim charts for the '156, '555 and '138 Patents.

Also, we would like to discuss the pending appeal at the Federal Circuit on two of the charted patents (the '156 and '555 Patents) of the DISH ITC matter you referenced in your March 17th letter.

Please let us know your availability next week to discuss the above. And if you have other items to discuss, such as other DISH claim charts for us to consider, kindly let us know so that we may properly review them.

Have a nice weekend.

Best,

Frank

Hi Joe,

Thank you for the email.

We confirm receipt of DISH's claim charts for U.S. Patent No. 10,469,555; U.S. Patent No. 11,470,138; and U.S. Patent No. 10,757,156 (the "'156 Patent"). We note your prior letter only referenced the '156 Patent.

We'll get back to you to arrange a call once we have had a chance to review the charts.

Best,

Frank

Hi Frank,

I write to follow-up regarding the potential licensing of DISH's ABR patent portfolio. Please find attached exemplary claim charts showing how three of DISH's ABR patents read on MindGeek's streaming services. Are you available next week to discuss terms for a license to DISH's portfolio? Thank you for your time.

Best,

Joe
